$100,000 COMMUNITY GOAL + UP TO $100,000 FAMILY TRUST MATCH

UP TO $200,000 IN POTENTIAL IMPACT

Through a matching commitment from the founding family's trust, eligible community gifts will be matched dollar for dollar, up to $100,000. Together, we can prepare welcoming homes and help provide the ongoing professional care needed for young survivors of human trafficking and pregnant or parenting teens.

Help us prepare the homes. Help us provide the care. Help us restore lives.

Community fundraising goal: $100,000 in home-readiness projects

The estimates below follow the latest ABBA Helps GivingTuesday project list. They are planning allowances, not final contractor quotations. Donors may sponsor an entire project or contribute any amount.

Beyond the initial goal: care, staffing, and additional Ranch priorities

The family trust has committed to match eligible community contributions up to $100,000. Funds raised through the campaign, including matching funds as available and consistent with any donor restrictions, will help support these home-readiness priorities and the qualified people and services that make residential care possible.

Essential residential staffing and services

Houseparents and residential caregivers; licensed therapists and counselors; case managers; relief and support staff; and pregnancy, parenting, and life-skills support for young mothers. Staffing amounts have not yet been priced and will be based on approved operating plans.

Additional Ranch-wide gates and fencing — Phase 1

Separate preliminary priority: $15,000 to improve selected gates, entry points, priority fenced areas, and existing fencing across the 265-acre ABBA Ranch. This is an additional identified need and is NOT included in the $100,000 project table above; it is not a full-perimeter fencing estimate.

Ways to participate

Sponsor a room. Fund a project. Give a gift of hope. Gifts of $25, $50, $100, $250, $500, or any amount are welcome. Businesses and community partners may also offer approved materials, appliances, furnishings, skilled labor, or professional services.
